EXPERIENCE

Class Representative

January 2025- ongoing

- Acted as a bridge between students and faculty, effectively communicating concerns and suggestions from classmates.
- Coordinated with department heads to resolve student issues related to academics, scheduling, and exams.

Executive Member

Computer Society of Software Engineers, MMMUT

March 2025-ongoing

- Coordinated and organized technical events such as coding competitions, hackathons, and workshops.
- Assisted in planning logistics, managing registrations, and communicating with participants.
- Collaborated with a team to promote tech awareness and enhance student engagement.

PROJECTS

Virtual Assistant

- Project Link:** <https://github.com/JahnviGoel/virtual-Assistant>
- Technology:** HTML, CSS, JavaScript
- A simple virtual assistant that can listen to your voice commands and perform tasks like opening websites, telling the time, answering questions, and more — just like a real assistant!

Simon Says Game

- Project Link:** <https://github.com/JahnviGoel/Simon-Game>
- Technology:** HTML, CSS, JavaScript
- The Simon Game is a classic memory-based color sequence game where the player must repeat an increasingly long pattern of button presses. The sequence is randomly generated and presented through colored buttons with sound cues.

ACHIEVEMENTS

- Secured 1st rank in MCAT (Malaviya Common Aptitude Test).
- Won 1st position in Drama at MMMUT.

SKILLS

Technical: Java, My SQL, HTML, CSS, JavaScript, Node.js, React
